215 E. Wade— 262-2409 —www.elrenolibrary.org

September 9, 16, 23: Greek Mythology

Travel back to the time of myths. Can you survive Medusa and her head of snakes? What would you keep in Pandora's box? Join us as we read stories of Ancient Greece.

October 7 & 14: Aliens Among Us

Do you believe in life on other planets? Together we can make our own versions of UFO's and the aliens that fly them.

November 3, 10, 17: Australia

We'll go down under to have some fun south of the equator. What's a didgeridoo and can you really eat Lamingtons? Grab your boomerang and come toss it around with us at the library.

Book Connection is a free, after-school hour for children in grades K-5. Programs take place Thursdays from 3:30-4:30 during the school year and includes stories, crafts, and snacks.

Pre-register your child to guarantee that enough materials will be available.
